

## Deposit Policy

If you are reading this you may be considering placing a deposit on a litter and we think that is exciting!  
By placing a deposit you can secure a selection position in a litter of your choice.

Our deposit is \$200.00 and is non-refundable, but in the event you are unable to accept a pup from your selected litter because of timing or other unforeseen events in life, or if the selected litter does not produce enough pups to select from, then you are able to move the deposit and apply it to another available pup, a future upcoming litter or an import puppy.

By placing a deposit by check, charge card, PayPal or cash, you accept and understand these terms.  
Please note that a 3% processing charge will be applied to the use of PayPal or a charge card.  
Your receipt in the form of a cancelled check or charge receipt will serve as the binding contract regarding the terms of the deposit.

The Health Warranty will be done at final purchase and go home of selected puppy.

If you have any further questions please don't hesitate to contact us!
